

# Parking at the Punchbowl

We are fortunate to have our own small car park here at The Punchbowl. This car park is for our guests to use during your time with us.

## **WE ARE UNABLE TO GUARANTEE or RESERVE SPACES**

We have 2 x EV charging points available.

Parking is by **PERMIT ONLY**. A valid permit **MUST** be displayed prominently in your car. Permits are available from the bar / reception area.

**For our hotel guests:-** Subject to availability, the car park is available from 3pm on the day of checking in until 12 noon on your departure day.

**For our restaurant guests:-** Subject to availability, you are welcome to use the car park for the duration of your time spent in the building. Unfortunately, we are unable to facilitate parking while you are not physically on the premises.

**Failure to display a valid permit WILL result in a Penalty Charge Notice being issued.**

In the event that our car park is full, there is a public car park just 100m away behind the Fire Station on Hensington Road.

Currently this is free of charge for 10 hours. This car park has 12 EV charging points.

Woodstock also has on street parking at various locations throughout the town. This parking is on a Pay & Display basis

## **IMPORTANT!!!**

Our car park control is run by an external company and as such, we are unable to issue permits outside of our opening times.

The parking company check our car park regularly so parking without a valid permit risks being charged

Restaurant Guests - It's not possible to issue a permit before your scheduled booking time

Room Guests - It's not possible to issue a permit until we check you in

**In the event that you arrive early, parking your car without a permit carries the risk of a penalty charge which is out of our control**

***DISCLAIMER:- Users of our car park do so at their own risk. The management accept no liability for any accident, damage or loss incurred***
